ABOUT US

One Water

is a joint effort between

OWEA

OHIO SECTION
American Water Works Association

We are so excited to be heading to Columbus August 23-26! This four day event will bring 2,300+ water professionals and 300+ exhibitors together for networking and continuing education. In 2026, we hit a milestone of over 2,250 attendees in Cincinnati! Columbus's central location historically brings the largest crowds so we are anticipating yet another record breaking year.

As a sponsor you will receive recognition at all the conference events, the One Water Ohio website, and reach public and private owners of wastewater treatment and drinking water facilities, Ohio cities and counties, consultants, engineers, operators, laboratory analysts, public utility managers, and Ohio EPA staff. Past One Water conferences have yielded attendees from far and wide. Your exposure will spread across the region and beyond.

This is an industry built on relationships and One Water fosters relationship building through engaging training events that benefit all sectors of the water industry. We know that while we each play a different part in Ohio's water story, and together we are One Water.

FAQS

How is my recognition level determined?
Total sponsored amount will determine sponsorship recognition level and additional benefits. Typically, a company chooses a single sponsorship at their desired level. However, you are welcome to combine multiple headline sponsorships to increase your sponsor recognition and exposure. For example, if you opt to select one Sapphire headline and one Azure headline, you will be at the threshold to be recognized at the Cobalt level.

Is a headline sponsorships exclusive to my company?
All headline sponsorships are exclusive to one company unless otherwise noted. You are welcome to sponsor all openings if you would like to be listed as the sole sponsor for that event. You would be recognized at the level matching your total dollar amount. i.e. if you would like to be the sole Awards Luncheons sponsor, you can purchase both sponsorships and then be recognized at the Imperial level. Contact megan@ohiowea.org if you would like to check availability or to set this up.

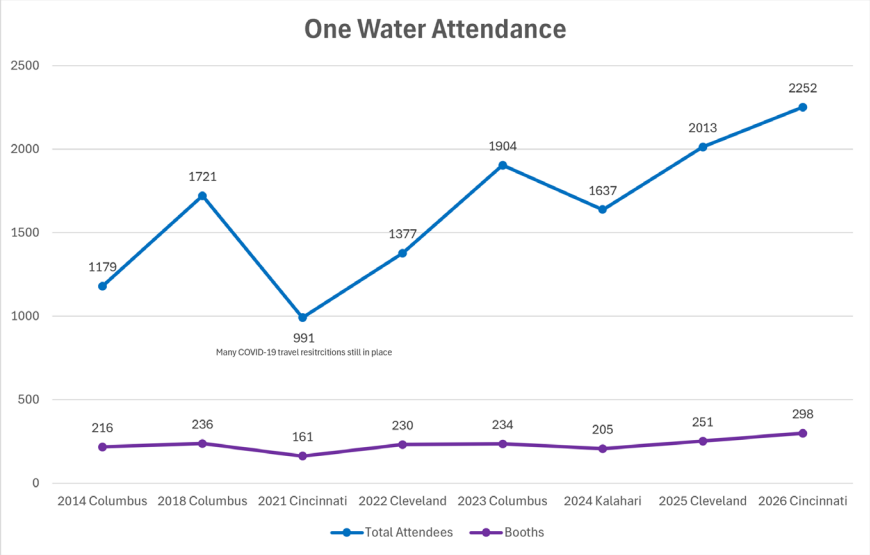
What is all included in a specific headline sponsorship?
Typically an event includes either signage/advertising with your logo and an item includes your logo and the One Water logo. If you have any questions about what is included in a headline sponsorship, or want to discuss what may be the best fit for your company, please reach out to megan@ohiowea.org.

How are complimentary registrations redeemed?
Discount codes will be emailed to the sponsor contact once registration opens for the event. Redemptions are not limited to your company, you are welcome to gift the free registration to a client.

EXHIBITION: AUGUST 24-25

The One Water Conference moves to a different region of the state every year. In 2027 we are excited to be at the Greater Columbus Convention Center. With more than 2,300 attendees expected, this is a can't miss event!

NEW THIS YEAR: We are combining the Tuesday Exhibit Hall Mixer and the Meet & Greet into one super-sized networking event inside the exhibit hall to allow for more uninterupted time with attendees.



- Opportunity to connect with thousands of water and wastewater professionals
- Booth price includes one full conference registration and additional registrations are available at a greatly reduced cost
- Booth includes a table, two chairs, and wastebasket
- The One Water conference schedule is built to give dedicated exhibit time and plenty of networking time outside of the exhibit hall
- You will pick your booth when you register and immediately have your final booth number.
