July 25th-28th, 2022
Huntington Convention Center of Cleveland
Exhibition July 26th-27th, 2022

About One Water Ohio

One Water is a joint effort between the Ohio Water Environment Association and the Ohio Section of the American Water Works Association. We join together to bring both water and wastewater professionals from around the state for training and networking.

By joining efforts we are stronger and can reach all water professionals. This is especially helpful in smaller communities, where our operators often wear both a water and wastewater hat. We are united to bring together all facets of the industry from operators to engineers to manufacturers to academia to laboratories and everyone in between.

In 2022 we are holding a four day technical conference from July 25-28, 2022 at the Huntington Convention Center in Cleveland for 1,400+ attendees and 200+ exhibitors as well as a one day Government & Regulatory Affairs Workshop in March.

As a sponsor you will receive recognition at all of these events, recognition on the One Water Ohio website, and reach public and private owners of wastewater treatment works and drinking water facilities, Ohio cities and counties, consultants, engineers, operators, laboratory analysts, public utility managers, and Ohio EPA staff. Past One Water Conferences have yielded attendees far and wide. Your exposure will spread across the country and beyond.

This is an industry built on relationships and that is what One Water is all about, relationship building through engaging training events that benefit all sectors of the water industry. We know that while we each play a different part in Ohio's water story, together we are One Water.

Company may select one or more sponsorable option on a first come, first served basis. Total sponsored amount will determine sponsorship recognition level and additional benefits. One sponsorship is available per item unless otherwise noted.

The annual One Water Conference moves to a different region of the state every year. In 2022, we are excited to be at the Huntington Convention Center in beautiful Cleveland, Ohio. With more than 1,400 attendees expected, this is a can't miss event!

Reasons why you want to exhibit:

- Opportunity to connect with hundreds of water and wastewater professionals
- Booth price includes one full conference registration
- Additional registrations are available at a greatly reduced cost
- Booth includes a table, two chairs, and wastebasket equaling reduced additional costs
- The One Water conference schedule is built to give dedicated exhibit time and plenty of networking time outside of the exhibit hall
- It's YOUR booth and YOUR choice, you will be able to pick your booth when you register and will immediately have your final booth number.
