

COVID-19 Precautions

We have heard from many of you who are excited to meet again in person and we are also looking forward to seeing you, safely. Our conference will look different. While it is impossible to eliminate all risk associated with COVID-19, we are working hard to ensure as safe an experience as possible. Here is some of what we do in conjunction with our hotel partners:

- One Water staff and hotel staff will be wearing masks and in some cases face shields during the event.
- Due to the executive order signed by Governor Mike DeWine, all attendees who are physically able to will be required to wear a mask when not eating, drinking or speaking to the audience. While we encourage you to bring a mask you are comfortable with, One Water will also provide masks during events. Masks are the best way to keep everyone safe when we are around each other.
- Hand sanitizer will be provided by both the venue and One Water.
- One Water staff practices social distancing in the office and takes their temperatures daily, including before conferences.
- We ask that you take your temperature before heading out to the conference and that you stay at home if they don't feel well or have a temperature.
- We will have signage and explanations of correct social distancing measures.
- Speakers will remain at least 6 ft from attendees.
- Communal meals will look different, with seating more spread out and fewer seats at tables. Social distance will be maintained.
- Food service will look different. Buffets will be served, and with very limited contact with service staff. Most items will be individually packaged.
- There will be markings on the floor to help maintain safe distances between attendees.
- We will be dismissing attendees by row to eliminate a large group during breaks.
- Podiums, microphones and laptops will all be sanitized between speakers.
- We will maintain recommended distances between all attendees, between staff and attendees, and between speakers and attendees.
- We will be communicating with registered attendees multiple times prior to the event to ensure everyone is comfortable and aware of these changes.

We are #BetterTogetherOhio
